Conference Speakers

Gangs have been making big news across the country for decades. Obviously, Texas is not immune from the gang threat, especially given its proximity to the border. In the program's general session, briefings from around Texas will be provided as to the current state of the gang threat. We will get an inside look at prison gangs, their tattoos, activities, and connections to the outside world. A former gang member will talk about what steps can be taken to influence young people involved in gangs. Breakout sessions will include Gangs 101, Gangs and the Internet, Aryan Brotherhood/Aryan Circle, Tangos, and other groups, Females in Gangs, Gangs in Schools, and other topics.
