Exhibitors are more than welcome to advertise in the journal. Please forward an e-mail with your advertisement attached and information on how large of an advertisement you want and how long you wanted it printed to manthony@angelinacounty.net.

Companies will need to forward a check for the advertisement depending on the size of the advertisement and how often printed. Once TPA has received the check, the Association will begin printing it in upcoming journals. Please contact me if you have any concerns.
